

RAT TABLET

Codice prodotto: 2468003

Category: Absent

Pre-coated flavoured Masonite glue trap

Description:

Pre-coated tablet of ready-to-use special glue with hazelnut flavour. Safe and environmentally friendly, durable and weatherproof. Thanks to its characteristics and size, it provides targeted coverage of small areas.

Technical information:

Dimensions: 19 x 28 cm

Method of use:

Separate the two tablets and place them along the walls (with the longer side against the walls) in areas where pests pass through. You can increase the attractiveness of the tablets with food, such as small pieces of cheese and PASTE, by placing them at the centre of the tablets.
In case of soiling, the boards can be easily cleaned with petrol.

User:

Professional

Unit of sales:

2 tablets per bag
