

RAPID KILL WASPICIDE

Codice prodotto: 3400122

Category: PMC

Aerosol insecticide against flies, mosquitoes and wasps

Italian Ministry of Health Registration:

n. 19700

Formula:

Aerosol

Description:

RAPID KILL WASPICIDE is an insecticide in a spray formulation formulated to eliminate flies, mosquitoes, wasps and other flying insects instantly.

Method of use:

SHAKE BEFORE USE – When used, the product must be sprayed upwards, preferably towards the corners of the rooms to be treated, for about 3 to 5 seconds. For greater effectiveness, it is advisable to leave the room closed for about ten minutes after treatment and then air the room.

User:

Professional

Warnings:

Avoid inhaling the spray directly and spraying it into the eyes. Keep away from open flames. Do not smoke while using. Do not spray on surfaces where food is prepared, served or consumed. Do not contaminate foodstuffs, beverages or their containers during use. If the product is used in areas of long-term occupancy or in bedrooms, ventilate the room before returning. After application or in case of contact with skin, wash thoroughly with soap and water.

Unit of sales:

750 ml canister
