**Codice prodotto: 1510105**

**Category: PMC**

Ready-to-use insecticide-acaricide powder for professional use

**Italian Ministry of Health Registration:**

n. 20332

**Formula:**

Powder

**Description:**

PERTRIN® POWDER PLUS is an insecticide for indoor use which is particularly suitable for the treatment of confined spaces which are not accessible to the public (e.g. electrical cabins, warehouses, cellars, garages, workshops, hangars and where it is not possible to use liquid or foam products, etc.) against crawling insects (cockroaches, ants, fleas, bedbugs), dust mites and flying insects (wasps). Not for domestic use. PERTRIN® POWDER PLUS has an immediate knockdown effect and residual activity. Permethrin acts on the nervous system of insects both by direct contact and ingestion.

**Technical information:**

DOSES AND INSTRUCTIONS FOR USE
PERTRIN® POWDER PLUS should be applied by spreading the powder evenly over the surfaces to be treated, taking care to ensure that it penetrates into corners, cracks, crevices and all areas where insects nest, at the following doses:
– Ants, fleas and cockroaches: 10 gr of product/sq.m;
– Bedbugs: 10 gr of product/sq.m;
– Dust mites (Dermatophagoides farinae): 10 gr of product/sq.m;
– Flying insects (wasps): 5 gr of product/sq.m.
In order to dose the product in a practical and accurate way, please note that 10 g correspond to 2 teaspoons.
