

FORTYL FRUIT AND VEGETABLE FERTILISER in granules

Codice prodotto: 1700114

Category: Absent

Organic granular fertiliser for vegetables, fruit and herbs.

Description:

Granular fertiliser specially designed for vegetable, fruit and aromatic plants. Approved for organic farming and perfect for spraying and fertilizing the garden, thanks to its granular formulation. Contains amino acids that improve the distribution of nutrients in the plant and the utilisation of soil reserves.

ORGANO-MINERAL FERTILISER

NPK (Ca-Mg-S) 3-12-6 (25-3-5) with low chlorine content

Technical information:

Composition %

Total nitrogen (N): 3

Organic nitrogen (N): 3
