FRESH AIR PASSION BREZZA MARINA is an aerosol deodorant for application with a COPYR automatic dispenser, in indoor environments.

Formula:

Aerosol

Description:

FRESH AIR PASSION BREZZA MARINA is a deodorant designed for indoor use, for professional use. Thanks to the high concentration of valuable essences and the special metered delivery valve, FRESH AIR PASSION perfectly deodorises rooms up to 100 m3. The canister provides approximately 3,000 deliveries. Let yourself be bagd by the FRESH AIR PASSION BREZZA MARINA fragrance and treat yourself to moments of pampering in your favourite spaces.

Method of use:

The canister is mechanically operated by a Copyr automatic dispenser. Place the dispenser system at a height of not less than 2 metres, in a position where the jet is directed away from people. Do not apply in the vicinity of air conditioning systems. Ensure there is sufficient ventilation in the room.

User:

Professional

Warnings:

Keep out of the reach of children. Keep away from any source of combustion. Avoid inhaling the spray directly and spraying it into the eyes.
