FRESH AIR SENSITIVE LIME is an aerosol deodoriser for application with a COPYR automatic dispenser for indoor use.

Formula:

Aerosol

Description:

FRESH AIR SENSITIVE LIME is a deodorant designed for professional indoor use. Thanks to the high concentration of valuable essences and the special metered delivery valve, FRESH AIR SENSITIVE perfectly deodorises rooms up to 100 m3. The canister provides approx. 3,000 deliveries. Treat yourself to relaxing moments with the FRESH AIR SENSITIVE LIME fragrance, deodorising your room gently and without allergens.

Method of use:

The canister is mechanically operated by a Copyr automatic dispenser. Place the dispenser system at a height of not less than 2 metres, in a position where the jet is directed away from people. Do not apply in the vicinity of air conditioning systems. Ensure there is sufficient ventilation in the room.
