

Easy Red Fogger

Codice prodotto: 3200201

Category: Absent

Small-sized hot fogger

Description:

EASY RED FOGGER is a small hot fog generator, easily transportable and simple to use, ideal for disinfection and disinfection treatments in small and medium sized rooms. It is powered by a gas canister (not included) which can be purchased in hardware or camping goods shops. It is quiet, easy to handle, practical and simple to use. It is an excellent solution for the treatment of cavities, cracks and spaces that are difficult to reach with normal sprayers.
